My dear Sir:-

Your kind letter of sometime ago was duly received and much appreciated. I should have answered it sooner, but have been absent from Buffalo part of the time, and have been very much occupied while here. I should be under obligation to you if you would kindly present my application for membership in the Numismatic Society, in accordance with your kind request.

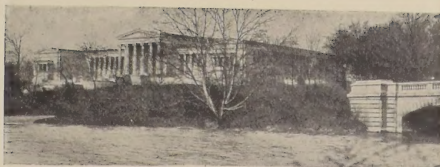

I shall hope to have the pleasure of seeing you when I next visit the Society's building-- and I also hope sometime to have the privilege of showing you our own Museum in Buffalo.

Very sincerely yours,

Charles M. Kurtz.

I think I should prefer to become a Life Member of the Society, if possible.
